### **INSTITUTIONAL DISTINCTVENESS**

#### **IHOPE**

Our goal is to achieve high academic, professional, and societal standards. As an institution, we are committed to helping students become committed to educational success, which in turn will help them achieve their full potential. In the beginning of every academic session, the Principal, Coordinators, IQAC in charge, Heads of Departments, and Assistant Professors meet with the College Development Committee, College Planning and Evaluation Committee, and Internal Quality Assurance Cell. Pedagogy plan prepared by faculty members is made available to students before the semester begins.

Aiming to achieve socio-economic development in the country. The main aspect of our institution is to promote women empowerment and with the increasing number of girl students at our institution in the last five years has also been a significant milestone for our institution in promoting girl education. Our Institutions aims to create a healthy environment for the girl students to develop their hobbies and interest to achieve success in life.

Girl education is a strategic development priority for any nation. Education is an essential part of a living being, whether it's a boy or a girl. It also helps to put a stop on discrimination based on gender. Education plays one of the most important key roles in Women Empowerment. The higher educational institution is dedicated in teaching quality education to empower the girl students. Experience and exposure are two steps that help girl students to pursue their dreams with gainful employment. With the earned skills the girl student becomes more determined and confident to facing the future

Our institution organizes various activities, seminars are a good tool and extremely significant for the benefit of girl students. Education is the only tool to equip a girl student with all round development in all the directions of every girl student. Taking into the view of a few thrust factors like self -esteem, mental health, physical fitness and hygiene as a major factor for every girl student. And these all can be achieved through education.

## **WOMEN EMPOWERMENT:**

As evolution represents adaptation to live a better life, and progression means upgrading levels, the college strives to demolish gender inequality by practicing a good number of women related activities.

### **Objectives:**

- To develop a spirit of gender sensitization.
- To empower girls with physical and emotional strength.
- To create awareness among the girls about their civic rights.
- To enable the students to develop a sense of culture, ethics, morality and social responsibilities.
- To develop self -esteem and self confidence in girls.
- To spread awareness regarding personal hygiene.

### **Context:**

J.K. College of Science & Commerce believes in providing equal opportunities to all students without any discrimination. We believe in creating an equitable society where both boys and girls have equal opportunities to participate in academic and no-academic activities of the college. The college has adopted a vast array of practices:

### **Practices:**

Women Development Cell:

Seminar: mental and physical health

Awareness: Poster making competition on "Women empowerment" ; talks on breast cancer, workshop on creating awareness about sexual harassment.

Workshop: Self -defence training

When the students are admitted at the Institute, we try to identify the special abilities and passion of the students.
