Navi Mumbai: J.K. College of Science and Commerce, Ghansoli, came alive with vibrant festivities as students and staff celebrated Navratri with great zeal. The college campus was beautifully decorated for the occasion, marking the worship of Goddess Durga and symbolizing the victory of good over evil. The week leading up to the event saw dedicated preparations by the Cultural Committee, students, and faculty,

who worked together to ensure a grand celebration.

The highlight of the event was the Garba and Dandiya Raas performances, where students and staff participated with enthusiasm, dancing to traditional music and rhythms that filled the air with an electrifying atmosphere. The celebration also featured folk dances representing various styles of Garba. Many students wore traditional attire, such as sarees and lehengas, adding to the authenticity and cultural richness

of the event.

The success of the Navratri celebration was attributed to the continuous guidance and encouragement of Dr. Arun Janardhan, along with the support of Principal Dr. Shraddha Bhome. Their leadership, combined with the active participation of students, staff, and faculty, created a sense of unity and joy throughout the college. The celebration allowed participants to connect with their cultural roots and foster a strong community spirit.

Seminar on 'Capital Market and Financial Planning' held at J.K. College of Science and Commerce

By Ryhea George

Navi Mumbai: Tilak Education Society's J.K. College of Science and Commerce, in collaboration with the Bombay Stock Exchange (BSE) Brokers Forum, organized a seminar on Capital Market (Financial Planning) for second and third-year B.A.F. students. The session, led by Mr. Kaushal Mishra from DHP Financial Training Services, aimed to educate students on the workings of the capital market and effective financial planning strategies.

Key topics included an introduction to capital markets, saving and in-

vestment plans, financial instruments (equity, debt, derivatives), and wealth management strategies. The seminar also introduced the Saarthi App, a tool for beginner investors. The event provided students with practical insights into financial planning and investment, bridging the gap between theory and practice.

Under the guidance of Principal Dr. Shraddha M. Bhome, the seminar successfully achieved its objectives, offering participants valuable knowledge and expertise in capital market operations and financial planning.
